How does the Meal Plan work?

Our meal plan has been designed to accommodate the various needs of our students. With our meal plans, you can eat up to 19 meals on campus each week. When you become a meal plan member, your student ID card becomes your pass to use your meal plan in Spence Hall.

MANDATORY MEAL PLAN

For students living in traditional residence halls, there is no better value than the meals per week option. This meals per week allowance allows you to enjoy up to 19 meals each week for the semester that you have signed up for. You can use your meals for breakfast, lunch and dinner in our all-you-care-to-eat dining hall as well as a meal equivalency option in The Sub Shop. Each time you use a meal, it is subtracted from your weekly balance. Meals do not carry over from week to week and the meal plan resets every Sunday night. A valid student identification card must be presented in order to enter the dining hall and your card is non-transferable.
