Please include the following with this application. Your application cannot be considered without these items:

- **Statement of your interest**: 2-3 pages, typewritten essay. Please explain your personal and academic goals for studying at Fisk University, including the academic fields in which you hope to take courses; your specific interest in the University and/or Middle Tennessee; and your view of the rewards and challenges of being a short-term visiting student.
- **Two letters of recommendation**: Please make arrangements for two letters of recommendations: one from a faculty member and a letter of nomination from the exchange advisor at your institution. Each should evaluate your intellectual curiosity and preparation for off-campus study, emotional maturity and cultural sensitivity.
- **Official transcript (grade report) of course work completed to date**.

Thank you for your interest in Fisk University
