Theodore S. Currier
(1903-1979)

Theodore S. Currier was born in 1903 in Massachusetts. He received his academic degrees from the University of Maine and Harvard University. Currier had several years of teaching at the University of Maine, Worcester State Teachers College, Simmons College, and George Peabody College for Teachers. Most of his years of teaching were spent at Fisk University. Currier was a vital part of the Fisk family for fifty years. He served as chairman of the Department of History at Fisk for a number of years.

Because of Mr. Currier's efforts, Fisk University became the first predominantly black institution to be granted membership in the national honor society Phi Beta Kappa in 1953. In 1978 "The Theodore S. Currier Award" for excellence in history was officially established in recognition for his many years of service.

Currier was the author of several bilingual books printed in Spanish and English. He also has published a various number of book reviews and monographs. As an outstanding authority in the fields of history and political thought, Currier served as a co-coordinator of the Robert Taft Seminars in Practical Politics, coordinator of the Harvard-Yale-Columbia Intensive Summer Studies Program at Fisk and as pre-law advisor. His many students have included noted historian and author John Hope Franklin and U.S. Solicitor General Wade H. McCree, Jr.
