

A Guide to the
COLLECTION of the BALLANTINE HALL CORNERSTONE REMAINS

Fisk University Archives

Processed by

Uzoma Miller, Archival Assistant

March 2006

SCOPE AND CONTENT

The **Collection of the Ballantine Hall Cornerstone Remains** consists of one box consisting of one series: **Publications**.

Series I: Publications

The **Publications** primarily found in this collection are associated with religious education, and Fisk information. All appear in fragmented form, and are extremely fragile. The only clear date is 1889, and they are arranged alphabetically by title, and identifiable sponsoring entity.
