Theses

M.A., University of Kansas, "Synthetic Routes Leading to 4-Hydroxy  
Cinnoline-3-Carboxylic Acid" (1949)

Ph.D., University of Kansas, "Part I--Hydrogenation Studies on  
Reissert Compounds; Part II--Synthesis of Some Hexadecans and  
Octadenes" (1952)

Degrees

B.S. (1947), Chemistry, University of Kansas

M.S. (1949), Chemistry, University of Kansas

Ph.D. (1952), Chemistry, University of Kansas
