Financial Aid Application Summer 2021

Before completing this form, please read! Summer financial aid eligibility at Fisk University is contingent on funds remaining from the Fall 2020 and Spring 2021 award year. Therefore, if you used all of your student loan eligibility during these terms you will not have eligibility for summer financial aid unless you have changed from freshman to sophomore or sophomore to junior. If you are eligible for a Pell grant and are enrolled at least 6 credit hours, you should be eligible for a Pell grant. **Completing this form does not guarantee aid eligibility.**
