

2021-2022 V1 Verification Worksheet Dependent Student

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at Fisk University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents and submit the form and other required documents to Office of Financial Aid. The financial aid administrator may ask for additional information. If you have questions about verification contact Office of Financial Aid as soon as possible so that your financial aid will not be delayed. You will be required to submit all documents no later than the end of the academic year or your last date of attendance at Fisk.

B. Dependent Student AND Parent's Income Information to Be Verified

1. **TAX RETURN FILERS** - *The best way to verify income is by using the IRS Data Retrieval Tool (DRT) that is part of FAFSA on the Web. If the student and/or parents have not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student and/or parents are eligible to use the IRS Data Retrieval Tool (DRT) to transfer 2019 IRS income tax information into the student's FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*
