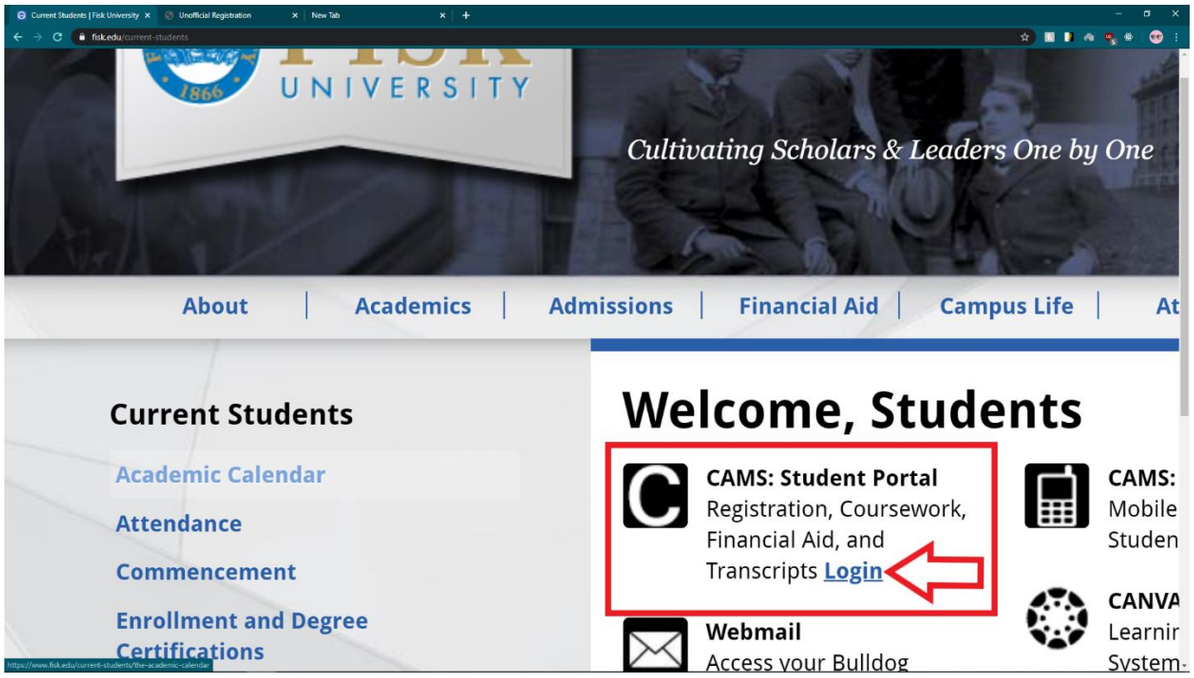
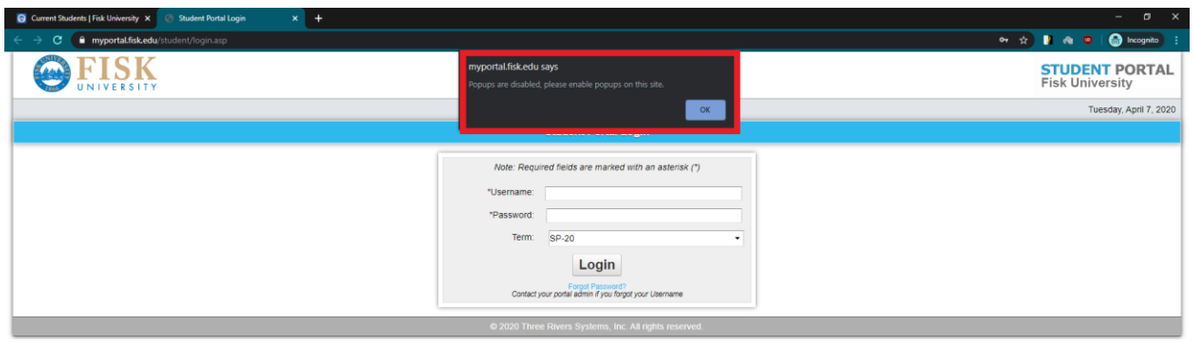
How to Online Register for Classes at Fisk University?

Step 1: Go to https://www.fisk.edu/current-students (or Google “Fisk Cams”) and select Login under Cams: Student Portal

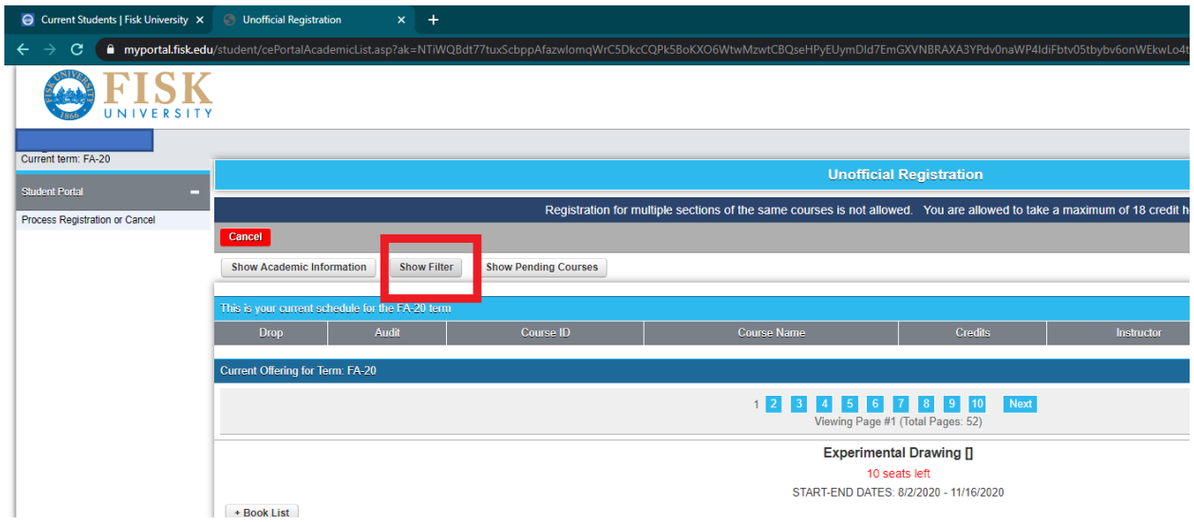


Step 2: Cams needs popup. So, please enable popup on your browser. And then enter your log in credentials and select the term. Username need not include @my.fisk.edu.

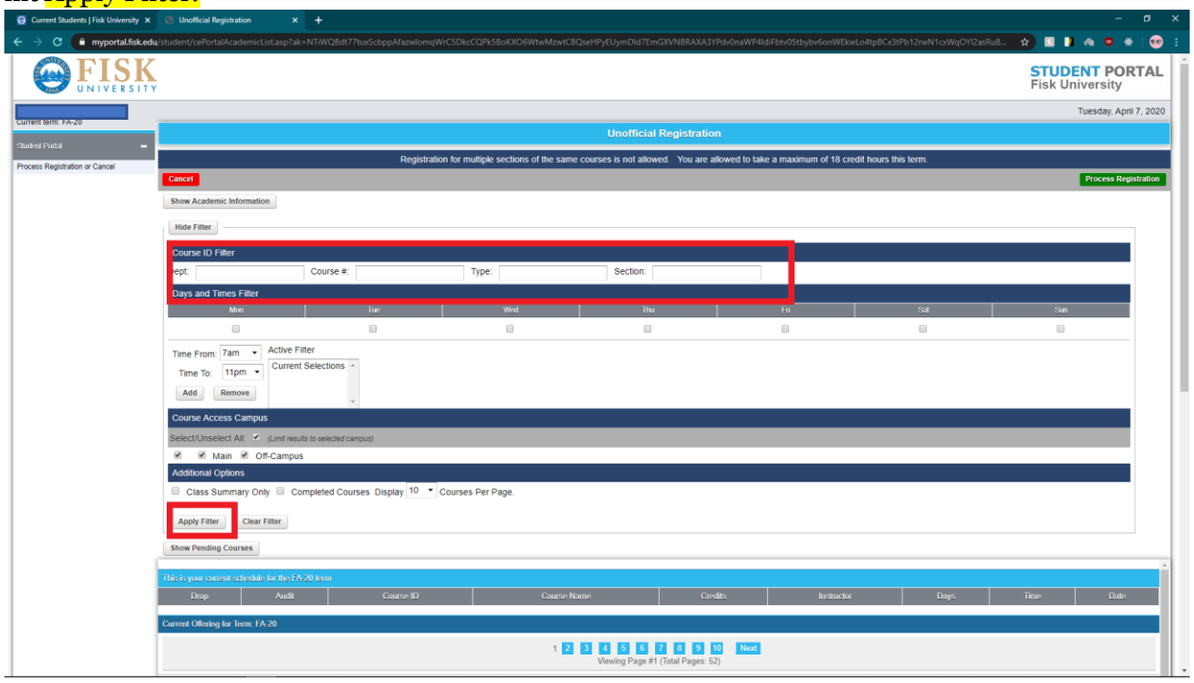


Step 3: Click on Registration on the left side.

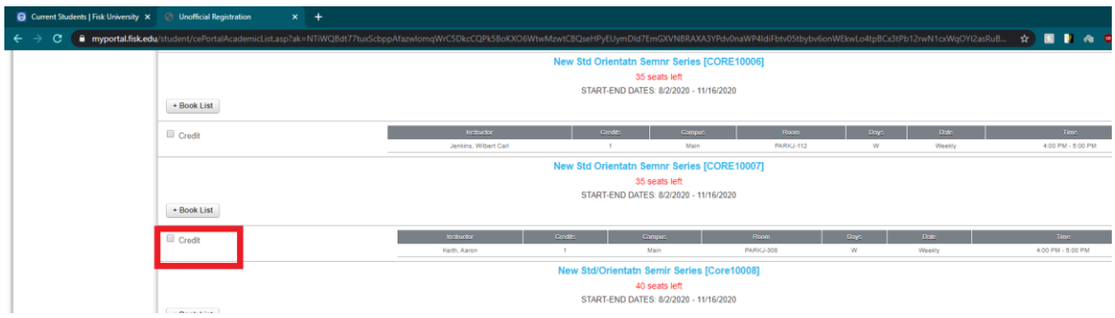
Step 4: Click on Show Filter.



Step 5: Enter filtering criteria to easily find your course. You may enter one or more fields. And hit Apply Filter.

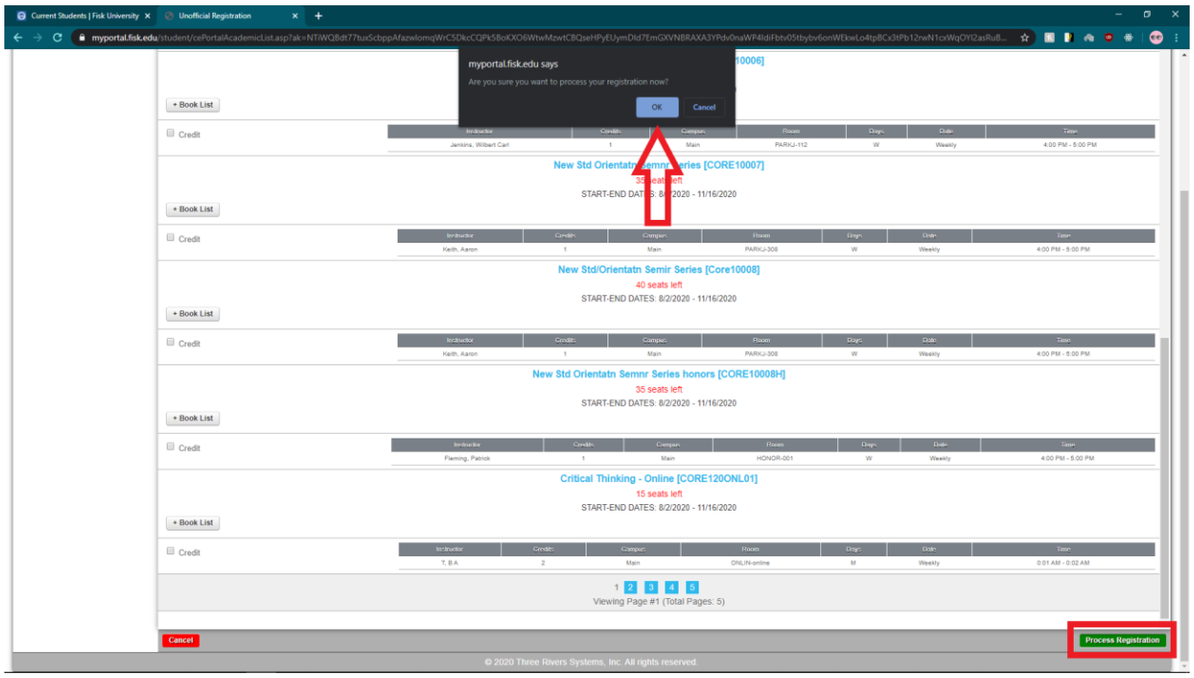


Step 6: Tick "Credit" for the desired course.



You may repeat steps 5 & 6 to register multiple courses in one go. Some courses require prerequisites and faculty approval.

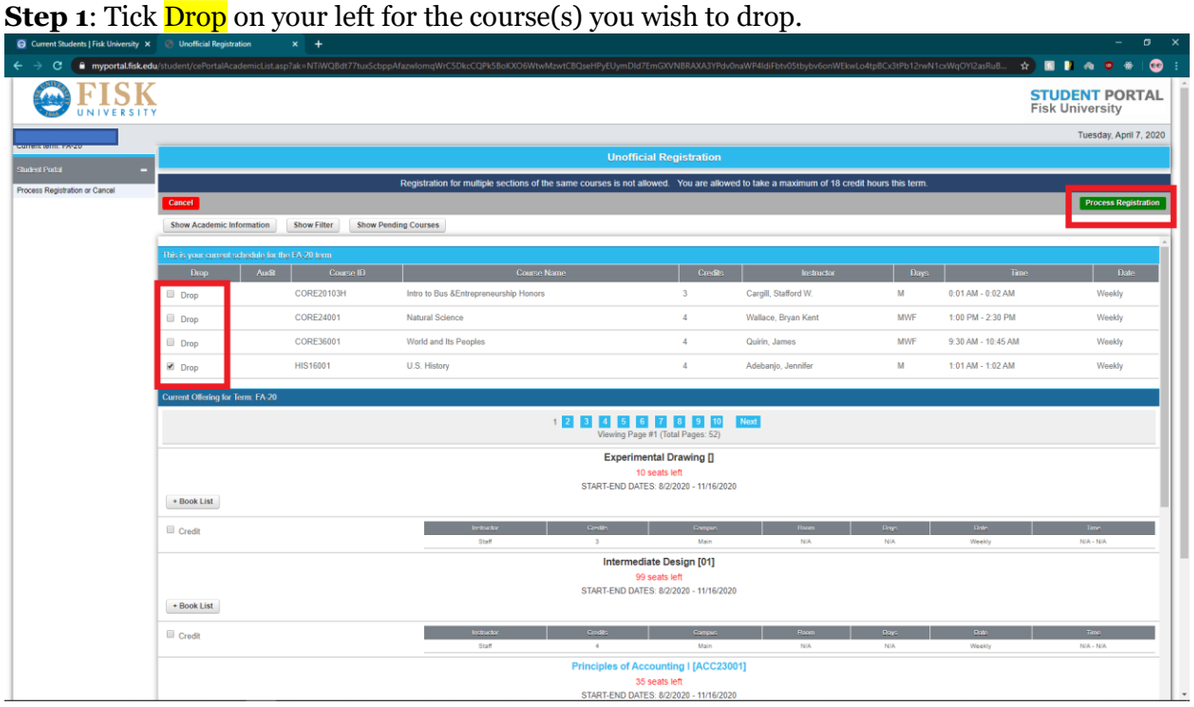
Step 7: Scroll down to the bottom and hit Process Registration and hit Ok on the next Popup.



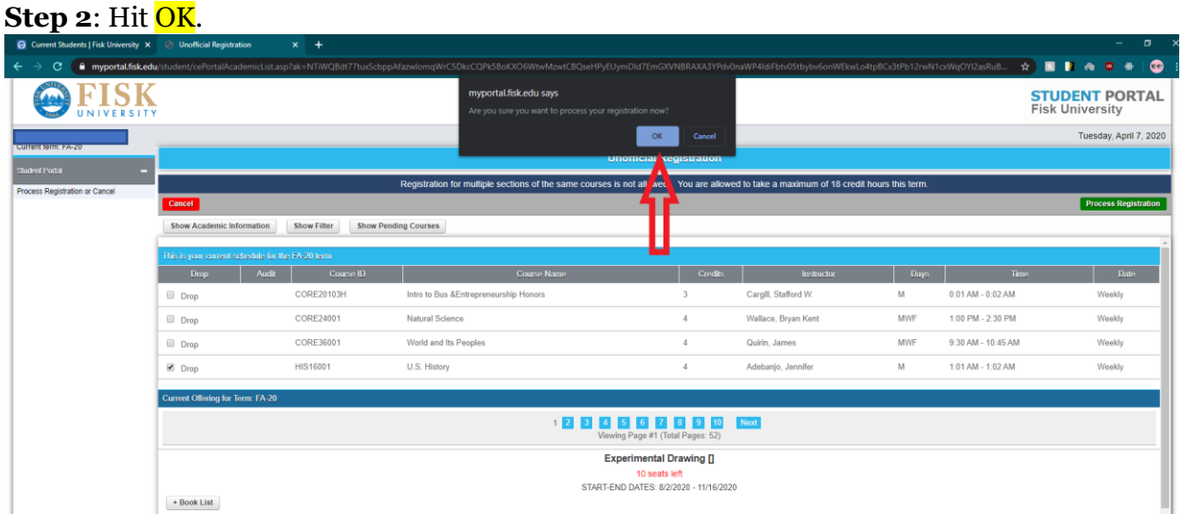
That should complete the registration.

Dropping a Registered Course:

Step 1: Tick Drop on your left for the course(s) you wish to drop.



Step 2: Hit OK.



That should remove those courses from your registration.
