

# FINAL EXAMINATION SCHEDULE

## FALL SEMESTER 2023

1. All classes that offer credit must end with a final written examination unless a prior written exception is made by the Provost.
2. Examinations must be given at the time indicated in this schedule unless the Provost gives prior approval. All final examinations will take place in the room in which classes are held, (face-to-face sections), online as directed, or in locations arranged for group examinations for which the location will be determined by the Department Chair. (Inform the Provost before classes end for that semester).

5. Examinations in classes which meet at hours not covered in this schedule, will be given at a time during the examination period listed as "OPEN", which is arranged by the faculty and is free of conflict for the students.
